Attorneys for Defendant Portland General Electric

BROWN, Judge:

On February 17, 2011, this Court issued an Order (Doc. No. 77), noting that Plaintiffs had withdrawn their § 1983 claim against City Defendants for unreasonable search and seizure, their state-law claims against the City of Portland for trespass and invasion of privacy, and their claim against PGE for negligence. On April 7, 2011, this Court issued an Opinion and Order (Doc. No. 78) granting the City Defendants' Motion for Summary Judgment (Doc. No. 43) on all remaining claims against City Defendants under § 1983 for violation of Plaintiffs' right to equal protection, Plaintiffs' state-law claim against the City of Portland for negligence, and The Bookstore, Inc.'s state-law claim against the City of Portland for intentional interference with business relations. Based on these orders,

IT IS ORDERED AND ADJUDGED that this action is DISMISSED with prejudice as to all defendants.

DATED this ^{7th} 19 day of April, 2011.

Anna J. Brown
United States District Judge
